

Jugend- & Kulturprojekt e.V.

Internship

in an internationally operating organisation

Jugend- & Kulturprojekt e.V. has been working successfully in the fields of art, culture and education at European and local level for over 15 years. The aim is to implement projects that enable diversity and inclusion and promote active participation and civic engagement. The association's international team is also dedicated to coaching professionals and volunteers in youth and adult education as well as in cultural work across Europe, thereby strengthening interdisciplinary and transnational cooperation. To achieve this goal, the staff design and coordinate training courses, seminars, conferences and events in the fields of digital education, inclusion and integration, entrepreneurship and sustainability, civic participation and volunteering. They use different art forms, non-formal learning methods and intercultural exchange as approaches to develop soft skills and professional skills of the participants, to stimulate their entrepreneurial spirit and creativity, but also to enrich the cultural life of the city of Dresden and to promote diversity. Another focus is on a Europe-wide exchange of experiences and a joint examination of the history and future of Europe.

With their work, the team members of the Jugend- & Kulturprojekt e.V. want to promote and actively shape a united Europe. The association supports artists and runs an art gallery ([Full Moon Gallery](#)) and also organises music and literature evenings in the specially developed [Kultur Centrale](#).

As part of this work, the organisation offers internships in the following fields of education:
